

Helene Madison Pool - Fall Swim Lessons 2021

13401 Meridian Ave N - 206-684-4979

Fall 2021 Quarter Registration begins Tuesday, October 19, 2021 at Noon.

Welcome back to swim lessons with Seattle Parks and Recreation.

Lessons begin, Monday, November 1 and will end Sunday, December 19, 2021

Due to COVID safety measures lessons will look different and have different names. All lessons will be taught by an instructor leading from the pool deck. In some cases parents or a responsible adult are asked to be in the water with the learning child.

If you need to have your child pretested, please contact Madison Pool and we will have a swim instructor assess your child's swimming.

Cancellations can occur if activities don't meet course minimum number of students.

There is a 10% fee for processing all transfers and withdrawals.

Sorry, we cannot give credits or make-ups for missed classes.

Parents with Little Dippers, Ages 6 months - 3 years old

Parent and child in the water working on beginning water adjustment skills and appropriate water safety. Songs, water games, and plenty of playtime included.

Parents with Big Dippers, Ages 3 years old - 6 years old

For non-swimmers using parent or responsible adult to assist child in the water. Basic water skills are taught with the help of adults for safety and support.

Water Explorer, Ages 6 years old - 16 years old

This class is for children who are considered "beginners" because they don't know how to do crawl stroke, but they can or will attempt to put their face in the water and float or kick on their own.

Water Discovery, Ages 6 - 16 years old

Children have the basic swimming skills of floating, gliding, kicking, and rolling from front to back for at least 15 yards.

Advanced Swimmer, Ages 6 - 16 years old

Prerequisite: Students must feel comfortable in deep water and able to swim at least 15 yards without stopping while demonstrating front crawl stroke with bilateral breathing, and proper whip kick on their back. Children not ready will be moved to Beginner Swimmer if there is room in a different activity.

Swimmers who have received a card indicating they have mastered "Beginner Swimmer" may sign up for "Advanced Swimmer" activities. Instructors will introduce and guide swimmers through other strokes while continuing to teach safety, fitness, and skill proficiency.

Learning new strokes: Elementary Backstroke, Backstroke, Breaststroke, and Butterfly, plus continued practice swimming crawl stroke.

Swimming Scholarship Fund!

As part of the ongoing commitment to water safety awareness and injury prevention, Seattle Parks and Recreation has received generous donations from Seattle Children's Hospital. These contributions allow for supplemental scholarship funding in addition to our existing low income scholarship offerings for youth group swim lessons. Please contact your local pool for more information and to receive a Low-Income Scholarship application. Funding is limited to one activity per quarter. Approved scholarships may be used for any of the following group swimming activities: Parent and Child Aquatics, Three-Year-Olds, Kinder Lessons, Beginning Swimmer, Advanced Swimmer, and Swim Team Prep.
